Remarks

Mid-century character and thoughtful updates come together in this well-cared-for 3-bedroom Hobart home. The bright, inviting interior includes an updated kitchen, a refreshed bath with new vanity, and a flexible third bedroom currently used as a convenient main-floor laundry. It can readily be returned to bedroom use or serve as an office or nursery. At the back of the home, a light-filled three-season sunroom overlooks the newly fenced yard and established landscaping. A charming detached garage and clean, spacious full basement provide plenty of room for storage, hobbies, or a workshop. Set in a walkable neighborhood near Lake George, Festival Park, and downtown Hobart's shops, restaurants, and community events, this is a comfortable, stylish home in a location that makes it easy to enjoy the best of Hobart. Whole house generated included. Front entry door not included; will be replaced by seller prior to closing. Washer and dryer not included. All measurements to be verified by agent.
